Dear Three Rivers Levee Improvement Authority:

On behalf of the American Society of Civil Engineers, Region 9, we are very pleased to congratulate you on being selected for the award of

**ASCE Region 9  
Outstanding Small Project  
Yuba Goldfields 100-Year Interim Flood Control Project**

The Region 9 Board of Governors represents more than 20,000 ASCE members in the State of California. You were selected from a strong pool of ASCE nominations from throughout the state.

The 2018 Region 9 Awards will be presented during the Awards Dinner on March 29, 2019 in San Diego at the San Diego Convention Center, 111 W. Harbor Drive, San Diego, CA 92101. The Awards Dinner will be held from 6:15 PM to 9:00 PM, with a cocktail reception beginning at 4:30 PM. The guest list includes representatives from the National Society and members from throughout the State. Earlier in the day, ASCE Region 9 and the San Diego Section will hold its annual California Infrastructure Symposium (CAIS19).

The web site and online registration system for both events is: <https://caisregion9.org/>. When registering for the events you will indicate if you (or a designated representative) will accept the award at the Awards Dinner. Sponsorship Opportunities are available to help show your support of the ASCE Region 9 Awards Program. You are also welcome to purchase reservations for as many additional guests as you would like, and we encourage you to forward the announcement to others who may want to celebrate your accomplishment.

In preparation for the production of the Awards Plaques and printed Awards Dinner Program, we would appreciate your assistance in confirming your information in the attached Draft Award Plaque Mock-up (master file) and Draft Awards Program Write-up. These drafts were prepared from information submitted with your Nomination, so your careful review and edits are greatly appreciated. Please return the Drafts with information confirmation by initial if there are no changes, or feel free to comment or make changes and return by **January 31, 2019** to [Matt.Kennedy@ghd.com](mailto:Matt.Kennedy@ghd.com).
